Section 501(c)(4)

Accounting Period Ending:
December 31

Form 990 Required: yes

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under the provisions of the Internal Revenue Code section indicated above.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) for each employee to whom you pay \$100 or more during a calendar year. And, unless excepted, you are also liable for tax under the Federal Unemployment Tax Act for each employee to whom you pay \$50 or more during a calendar quarter if, during the current or preceding calendar year, you had one or more employees at any time in each of 20 calendar weeks or you paid wages of \$1,500 or more in any calendar quarter. If you have any question about excise, employment or other Federal taxes, please address them to this office.

If your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. Also, you should inform us of all changes in your name and address.

The block checked at the top of this letter shows whether you must file Form 990, Return of Organization Exempt from Income Tax. If the Yes box is checked, you are only required to file Form 990 if your gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law provides for a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay. This penalty may also be charged if a return is not complete. So please make sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the

Letter 948(CG)

NATIONAL JEWISH COALITION

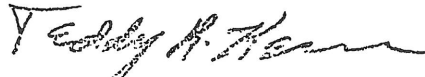

Internal Revenue Code. If you are subject to this tax, you must file an income tax return on Form 990-T: Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Teddy R. Kern
District Director

This association shall be known as the National Jewish Coalition (the "Coalition") and shall undertake appropriate activities as the Board of Governors shall determine. Such activities will include but not be limited to supporting various causes or positions of general interest to the members of the Coalition. The activities of the Coalition shall not include fundraising for candidates for any elective office or the promotion or support of candidates for any elective office. It is intended that these Articles be the by-laws of the Coalition.

ARTICLE II

OFFICES

Section 1. Principal Office. The principal office of the Coalition shall be located in Washington, D.C. The Coalition may have such other offices, either within or without the District of Columbia, as the business of the Coalition may require from time to time.

Section 2. Registered Office. The registered office of the Coalition may be, but need not be, identical with its principal office in the District of Columbia and the address of the registered office may be changed from time to time by the Executive Committee.

ARTICLE III

MEMBERS

The membership of the Coalition shall consist of such persons who contribute an amount of money to the Coalition each year, or at such other times, as determined by the Executive Committee and approved by the Board of Governors. A member may be an individual, a partnership, a corporation or a trust. A partnership, corporation or trust member shall designate a person who shall have the power and authority to represent it. The Board of Governors shall have the authority to designate and establish one or more classes of members and the rights, if any, of such class or classes. The members of the Coalition are listed on Attachment A to these Articles, which Attachment shall be amended from time to time as required.

ARTICLE IV

Section 1. Annual Meeting. An annual meeting of the members of the Coalition shall be held at the time and place designated by the Executive Committee.

Section 2. Special Meetings. Special meetings of the members shall be held when directed by the Chairman of the Board of Governors and at least a majority of the Executive Committee.

Section 3. Place. Meetings of members may be held within or without the District of Columbia.

Section 4. Time, Notice and Call of Meetings. Written notice stating the place, day and hour of the meeting, and in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) nor more than sixty (60) days before the meeting, either personally or by first class mail, by or at the direction of the Chairman to each member. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the books of the Coalition, with postage thereon prepaid. Notice of any members' meeting may be waived in writing by any member at any time before or after the meeting. If any vote by the members is required, such vote may, at the discretion of the Executive Committee, be conducted and taken by mail.

Section 5. Notice of Adjourned Meetings. When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and at the adjourned meeting any business may be transacted that might have been transacted on the original date of the meeting. If, however, after the adjournment the Executive Committee fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given as provided in this Article to each member of record on the new record date entitled to be present at such meeting.

Section 6. Closing of Transfer Books and Fixing Record Date. For the purpose of making a determination of members for any purpose, the Board of Governors may provide that the member books shall be closed for a stated period but not to exceed, in any case, sixty (60) days.

ARTICLE V

BOARD OF GOVERNORS

Section 1. Function and Powers. The policy, affairs and property of the Coalition shall be controlled by or under the direction of the Board of Governors. All powers shall be exercised by or under the authority of, and the business and affairs of the Coalition shall be managed under the direction of, the Board of Governors. The members of the Board of Governors shall select a Chairman from among themselves. The Chairman shall preside at all meetings of the Board, the Executive Committee and the members.

Section 2. Qualification. Members of the Board need not be residents of any particular country or state and may be officers of the Coalition or a member of the Executive Committee.

Section 3. Compensation. The Board of Governors shall have authority to fix the compensation, if any, of members of the Executive Committee or of any officer.

Section 4. Number. The Coalition shall not have more than fifty (50) Board members. The number of Board members may be increased or decreased from time to time as determined by the Board, but no decrease shall have the effect of shortening the terms of any incumbent member of the Board.

Section 5. Selection and Term of Office. Except as provided in Section 4 above, members of the Board shall be nominated by the Nominating Committee (described in Section 14 below), and shall be elected for a term of one year by vote of a majority of the members of the Coalition voting in person or by proxy on such election. In selecting persons to serve on the Board, the Nominating Committee shall take into account political activity, support of the Coalition and community leadership. The election shall take place at the annual meeting of members held at least thirty (30) days prior to the Coalition's annual Board of Governor's meeting. The term of any newly elected Board member shall commence seven (7) days following the said election.

Section 6. Initial Board of Governors. The initial Board of Governors shall be composed of the individuals named on Attachment B to these Articles, which Attachment shall be amended from time to time as required.

Section 7. Vacancies. Any vacancy occurring in the Board of Governors, including any vacancy created by reason of an increase in the number of Board members, shall be filled by the affirmative vote of a majority of the Executive Committee. Any person selected to fill a vacancy shall serve out the term of the person being replaced.

Section 8. Quorum and Voting. Except as otherwise provided herein, one-third of the number of Board members shall constitute a quorum for the transaction of business. Unless otherwise provided herein, the act of the majority of the Board members present at a meeting at which a quorum is present shall be the act of the Board.

Section 9. Place of Meetings. The annual and special meetings by the Board of Governors may be held within or without the District of Columbia. The Board shall meet no less than two (2) times each year.

Section 10. Time, Notice and Call of Meetings. The annual or special meetings of the Board of Governors shall be held at the time and place set forth in a notice to each Board member given either by personal delivery, telegram or cablegram at least five (5) days before the meeting or by notice mailed to the Board member at least ten (10) days before the meeting.

Notice of a meeting of the Board of Governors need not be given to any Board member who signs a waiver of notice either before or after the meeting. Attendance of a Board member at a meeting shall constitute a waiver of notice of such meeting and waiver of any and all obligations for notification as to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when a Board member states, at the beginning of the meeting, any objection to the transaction of business because the meeting is not lawfully called or convened.

Neither the business to be transacted at, nor the purpose of, any annual or special meeting of the Board of Governors need be specified in the notice or waiver of notice of such meeting.

A majority of the Board members present, whether or not a quorum exists, may adjourn any meeting of the Board to another time and place. Notice of any such adjourned meeting shall be given to the Board members who were not present at the time of the adjournment and, unless the time and place of the adjourned meeting are announced at the time of the adjournment, to the other Board members.

Annual meetings of the Board of Governors shall be called by the Chairman of the Board, and special meetings of the Board may be called upon written notice to the Chairman by no fewer than fifteen (15) Board members.

Members of the Board of Governors may participate in a meeting of such Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same

time. Participation by such means shall constitute presence in person at a meeting.

Section 11. Action Without a Meeting. Any action required to be taken at a meeting of the Board members of the Coalition, or any action which may be taken at a meeting of the Board members or a committee thereof, may be taken without a meeting if a consent in writing, setting forth the action to be taken, signed by all of the Board members, or all the members of the committee, as the case may be, is filed in the minutes of the proceedings of the Board or of the committee. Such consent shall have the same effect as a unanimous vote.

Section 12. Executive Committee. The Board of Governors, by resolution adopted by a majority of the Board of Governors, may designate from among its members an Executive Committee consisting of no more than fifteen (15) members of the Board which shall have and may exercise the authority of the Board of Governors to the extent provided in such resolution. However, the Executive Committee shall not have the authority to:

(a) approve or recommend to the Board members actions or proposals that are required by law or by these Articles to be approved by the members of the Coalition; or

Dear Applicant:

Before we can recognize your organization as being exempt from Federal income tax, we must have enough information to show that you have met all legal requirements. You did not include on your Form 1024, Application for Recognition of Exemption Under Section 501(a) or for Determination Under Section 120, the information needed to make that determination.

To help us determine whether your organization is exempt from Federal income tax, please send us the information asked for below. Please provide this information by the response due date shown above so we can complete our review of your application.

If we do not hear from you within that time, we will assume you do not want us to consider the matter further and will close your case. As a result, the IRS will treat your organization as a taxable entity. If we receive the information after the response due date, we may ask you to send us a new Form 1024.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Thank you for your cooperation.

Sincerely yours,

M. Kell
